**NARRATIVE:**

Aguilar, has an extensive criminal history that began at the age of 27. He has been convicted of assault, multiple cases of inflicting corporal injury on spouse, child cruelty: possible injury/death, terrorists threats, illegal re-entry, parole violations, and fugitive from justice. Aguilar served a two (2) year prison term for child cruelty: possible injury/death. Aguilar was released from state prison to the supervision of the Los Angeles County Probation Department on October 28th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2013 after Aguilar absconded from post release community supervision (PRCS). Aguilar qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for corporal injury on spouse meets the guidelines for PRCS under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
